

The Journal of Defense Modeling and Simulation: Applications, Methodology, Technology

Impact Factor: 1.3 / 5-Year Impact Factor: 1.3

Journal Homepage

Submission Guidelines

The *Journal of Defense Modeling and Simulation (JDMS)* is a quarterly refereed archival journal devoted to advancing the practice, science, and art of modeling and simulation as it relates to the military and defense. The primary focus of the journal is to document, in a rigorous manner, technical lessons derived from practical experience. [View full journal description](#)

This journal is a member of the [Committee on Publication Ethics \(COPE\)](#).
